## SET UP PAYMENTS

In order to setup your commission to be deposited into your account directly go to the settings tab in your portal and select "Connect your Bank Account". Enter your bank account information and you're all set up.

PRoZE Ambassadors receive commission deposited in their connected bank account once a month on the first day of the month. Commissions deposited are from the previous closed month's orders outside of the 30 day refund policy. (e.g. all payouts on orders placed in February are deposited on April 1st)
